| W ramach zadania w 2018 roku planowane jest wybudowanie Flow Parku. |

This architectural site plan depicts a park area with a variety of recreational and sports facilities. The plan includes several sports courts: a mini golf course, a basketball court (boisko - do siatkówki), a tennis court (kort tenisowy), a volleyball court (boisko - do piłki ręcznej), and a beach volleyball court (boisko - do siatkówki plażowej). There are also two sand pits (piaskownica) and a playground (plac zabaw). The park features a large pump track (pumptrack) and a skate park (skate park). Other recreational areas include a picnic area (piknik), a relaxation area (relaks), and a playground (plac zabaw). The plan also shows a large area for a "flow park - street workout" and a "flow park - parkour". There are several paths and walkways throughout the park, including a "mini golf" path and a "skate park" path. The plan includes numerous trees and landscaping elements, such as a "mini golf" area and a "skate park" area. The plan also shows a large area for a "flow park - street workout" and a "flow park - parkour". There are several paths and walkways throughout the park, including a "mini golf" path and a "skate park" path. The plan includes numerous trees and landscaping elements, such as a "mini golf" area and a "skate park" area.
